Independent Study—PSYC 480

Dr. Patricia Hawley

864-9818 / PHawley@ku.edu

Independent study is designed to give undergraduates an opportunity to have hands-on involvement with research. Duties include: Preparing materials for interviews, preparing questionnaires, attending lab meetings, conducting interviews, transcribing interviews, entering data onto spreadsheets, conducting library research. Additionally, there are assigned readings. *Students should expect to 9 hours of work per week for 3 credit hours.*

To familiarize yourself with the work of my lab, please peruse my website:
