

A Simple Man's Prayer

Lord my God,

 Please bless me this day

Show me each choice

 How to walk in Your way

Give me Your truth

 With others to share

Take me and use me

 This is my prayer

Bury me deep

 In fathomless love

Remind me my treasure's

 Not here, but above

Bend me and mold me

 Make me just right

Watch over my bed

 As I sleep for the night

And when my life brings me

 That sleep that endures

Remind me that I

 Am eternally Yours

Bring me to Heaven

 Love's vict'ry to share

Forever with Jesus

 Lord, this is my prayer
