The Friends of the Baldwin City Public Library is an association of persons interested in books, reading, and public libraries.

The Purpose of the Friends is:

- To establish closer relations between the Baldwin City Public Library and the people it serves.
- To support and cooperate with the Library Board and Staff in developing services and facilities.
- To promote the interest and welfare of the Baldwin City Public Library as an educational, cultural, and recreational asset to our community.

Although we hold several fundraisers throughout the year, the Friends depend on memberships as the foundation of our funding. Money raised is used to support your local library with donations for books, periodicals, videos, and equipment and to promote use of the library with events like book discussions and author visits. Member benefits include:

- Quarterly newsletter
- Free “Baldwin City-Wide Garage Sale” listing the evening before the sale. These listings will not be available for sale before the morning of the event.
- Businesses joining at the “BookStore” level can place a free business add in the garage sale listing.
